August 20, 2018

NEWS RELEASE

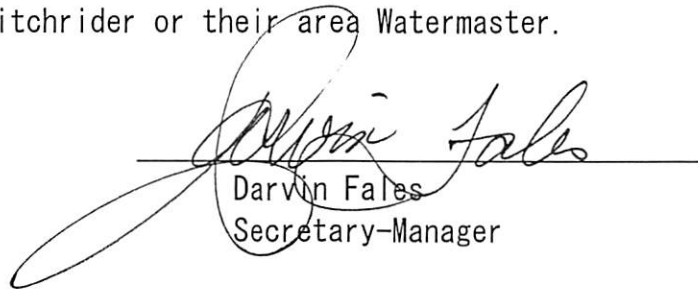

The Quincy-Columbia Basin Irrigation District has scheduled final dates for the 2018 irrigation season.

Monday, October 22nd, 2018 will be the last date for water delivery changes.

Tuesday, October 23rd, 2018 will be the last full day of water delivery.

Wednesday, October 24th, 2018 will be the turn-off date for water at the head of the West Canal.

This will mark an end to the 2018 irrigation season. Quincy District water users having questions regarding this shutdown schedule should contact their Ditchrider or their area Watermaster.
