NEWS RELEASE

Quincy-Columbia Basin Irrigation District is closing offices to the general public in response to the COVID-19 emergency, to protect the safety of customers and employees. District personnel are available to help you with business by calling the Main Office (509) 787-3591, and (509) 346-2301 for the Royal Office. Water payments can be made by mail or via credit card by calling. For RRA requirements, please call to determine how District personnel can best serve you.

We hope to resume normal operation as soon as possible. More information and updates are available at qcbid.org.

Irrigation water orders or deliveries will not be affected by this change. Telephone recorders are available in all watermaster offices for water ordering. This service is available for up to 3:30 p.m. for next day water orders Monday - Saturday, and up to 11:30 a.m. on Sundays for the following Monday's water order. The normal text and email options are also available as usual to place water orders; please contact the respective watermaster office if you need details.
