NEWS RELEASE

The Quincy-Columbia Basin Irrigation District has scheduled final dates for the 2019 irrigation season.

Monday, October 21st, 2019 will be the last date for water delivery changes.

Tuesday, October 22nd, 2019 will be the last full day of water delivery.

Wednesday, October 23rd, 2019 will be the turn-off date for water at the head of the West Canal.

This will mark an end to the 2019 irrigation season. Quincy District water users having questions regarding this shutdown schedule should contact their Ditchrider or their area Watermaster.
